### From the Principal's Desk

Happy October! It's amazing to think we are nearing the end of the first quarter...time flies when you are having fun.

We continue to foster our virtues Patience, Compassion and Gentleness through our words and actions. This month we are further emphasizing RESPECT. To respect is to "admire (someone or something) deeply, as a result of their abilities, qualities, or achievements." When we are aware of the talents and gifts of those around us we are more likely to respect them in words and actions. Everyone at Most Holy Trinity brings a gift, talent and treasure to our community. It is our calling to recognize and respond, or rather to be aware and respect, the abilities of our friends in order to grow as a community.

I encourage you to talk to your student about how they are demonstrating respect to one another and for themselves. Each day the teachers challenge the students to complete a task that shows respect for others, maybe they can even complete the task at home and share back with the class.

**End of First Quarter:** The first quarter ends On Friday, October 13. In order to receive full points in Reading, students must meet or exceed their personal Accelerated Reader (AR) goals. Please encourage your child(ren) to READ, READ, READ every night in an effort to reach goals. Further, please continue to **check your student's nightly homework folder and assignment book** to assure a successful end to the quarter.

**Uniform:** Students are expected to be in uniform daily. Infraction notices are emailed to parents and students who are out of uniform. 2<sup>nd</sup> offenses will result in parent calls and removal from enrichment opportunities.

Thank you for your outstanding commitment. Please feel free to call or email with any questions/concerns. 314-231-9014 or [jkilmade@mht-stl.org](mailto:jkilmade@mht-stl.org).

Cheers,  
Mrs. Kilmade
