From the Principal's Desk

Congratulations to our 8th grade students and families on completing the high school application process this week. Each of our 21 8th graders applied to some of the best private, Catholic and Christian college-prep high schools throughout St. Louis. We are so proud of their accomplishments and wait in hopeful anticipation of their acceptances. Proud to be MHT!

Opportunities such as these begin with a solid foundation and as you review your student's second quarter progress report found in next week's folder, please continue to emphasize diligence and perseverance.

Finally, continue to share in our community intentions; this week we pray:

- Monday: God's presence in us; being made in His goodness
- Tuesday: God's presence in warmth; having warm places and interactions
- Wednesday: God's presence in small blessings; offering all we have
- Thursday: God's presence in our environment; His beauty in our world
- Friday: God's presence in our family; celebrating our talents
