From the Principal's Desk

This month we focus on **Gratitude** by recognizing God's presence in all people, places and moments. Each morning we will begin our day calling to mind something we are grateful for and I encourage you to try the same practice at home. Our intentions this week include:

- Monday: God's presence in each of us; being together again after break
- Tuesday: God's presence in our school; having what we need to succeed
- Wednesday: God's presence in need; having our prayers heard at Church
- Thursday: God's presence in challenges; having people to help us
- Friday: God's presence in our joy; celebrating our talents

I would like to send a huge "Thank you" to all our family and friends for supporting the MHT mission. To celebrate all of the great strides we are making in the classroom, during our enrichment classes, and with our behaviors, we will be hosting the following events:
