Tiger News

Parent Newsletter

From the Principal's Desk

God is good all the time, and all the time God is good.

We have had a wonderful start to the school year and are looking forward to a number of upcoming events. Please make sure to check the calendar to the right and participate in any and all school events.

Over the next two weeks your students will continue to practice class and school procedures to be successful in their learning as well as be productive as community members. Please ask your students the following:

- What are some of the expectations in your class?
- How are you doing to help your class meet the expectations?
- Are you doing the "right thing at the right time?"
- What was your favorite thing you learned today?
- How did you help a friend today?
- How did you help your community today?

By asking these questions you will be reinforcing the conversations your teachers are having with the students and supporting our overall commitment to doing the right thing because it's the right thing to do.

Blessings,
Mrs. Kilmade
